

# Sister League

OF SAN DIEGO

Dear Friend of Sister League,

I'm thrilled to announce that Sister League's Annual *Rise Up! Gala* will be held on October 6th, 2024. The *Rise Up! Gala* emerged from our community's remarkable ability to rise up together and drive transformative change for San Diego's most vulnerable citizens.

Sister League of San Diego is dedicated to supporting women experiencing homelessness. The League's doors have been open since 1942, and while the population served has shifted through the years based on community need, we remain focused on our core mission: safe, transitional housing paired with supportive services. This dual approach has proven to be a promising solution to the homeless crisis as it offers our vulnerable residents the space, time and support needed to regain their independence. We currently provide housing for women aged 18 and up with various mental health diagnoses, ranging from anxiety and depression to substance use to schizoaffective disorders and many others. Regardless of their background or diagnosis, all our residents share a common basic need: a safe place to rest their head every night. Providing shelter and daily nourishment to 30 women in our two historic homes is no small feat. We cannot accomplish this alone and warmly welcome your support.

I invite you to join us in making a lasting impact on the lives of our residents by becoming a sponsor for the 2024 Sister League Rise Up! Gala. By supporting this event, you will stand alongside 200+ community leaders, entrepreneurs, and small business owners committed to creating positive change in our community. As a sponsor, you will align with an organization with a rich history of eight decades of service and help us continue our vital mission. For more information about sponsoring, please email Jessica Aminoff ([jaminoff@gmail.com](mailto:jaminoff@gmail.com)) or Priya Upasani ([priya.upasani@gmail.com](mailto:priya.upasani@gmail.com)).

In addition to your sponsorship, I would like to extend a personal invitation to you to tour our Redwood home and witness firsthand the warm, supportive environment your sponsorship helps to create at Sister League. Please contact me directly to schedule a tour at [nharo@sisterleaguesd.org](mailto:nharo@sisterleaguesd.org).

We look forward to having you join our caring and generous group known as The Friends of The League and hope to see you in October at the *Rise Up! Gala*.

Kindly,

*Nuria*
